

## Club Evo Discount Program

Evolution Karting is proud to announce a new discount program designed to save our customers money on every purchase they make! The program is similar to a warehouse club membership. Customers join "Club Evo" for a small annual fee and receive discounts, gifts and other benefits throughout the entire year!

There are two levels of membership: **Standard Level** and **Championship Level**.

The benefits of membership include discounts on every purchase made from Evolution Karting during the year, including in-store purchases, web-store purchases as well as at-track purchases. In addition, every member will receive an Evolution Karting T-Shirt with its membership and members will be eligible for quarterly prize drawings. We also plan to create special events throughout the year which may include parties at local or national events and other fun things we can put together.

The cost and discounts are:

<b><u>Club Evo – Memberships</u></b>	<b><u>Annual Fee</u></b>	<b><u>Merchandise Discounts</u></b>
